NEBRASKA MAKES EASY WORK OF THE FOOTBALL CONTEST AGAINST TIGER ELEVEN TODAY

Cornhuskers' Touchdowns Come in Rapid Succession Throughout the Game.

TIGER GAINS ARE SMALL

M. U. Men Hammer at Opponents' Line in Vain, Usually Being Forced to Kick.

By a Staff Correspondent.

LINCOLN, Neb., Oct. 21.—Nebraska had an easy time winning today's football game from Missouri. The final score was Nebraska 48, Missouri 0.

Soon after the kickoff Nebraska carried the ball to Missouri's 5-yard line and DeWitt went over for a touchdown. The second touchdown came when Hartley made 20 yards after a fake screened pass play.

In the second quarter, Nixon intercepted Lincoln's pass and ran 40 yards for a touchdown. Then a Cornhusker forward pass and a long run put the ball in position so Lewellen could zigzag 40 yards for a touchdown. Missouri did not hold the ball since the kickoff. A Nebraska punt later in the quarter was allowed to roll to the Tiger 1-yard line. Fowler kicked to the 40-yard line, but Russell returned the punt for a fifth touchdown.

The third quarter was scoreless, but ended with the ball on Missouri's 6-yard line.

In the fourth quarter two line plungers carried the ball over for the sixth touchdown.

Near the close of the game Nebraska resorted to forward passes and scored another touchdown.

By Special Correspondence.

LINCOLN, Neb., Oct. 21.—The Nebraska hand, followed by an organization of Cornhusker rosters, marched on the field at 2 o'clock amid rousing cheers of a homecoming crowd estimated at twelve thousand. The attendance at today's game is the largest since the Notre Dame battle on the Nebraska field two years ago.

The spirit of the Huskers is increased due to the completion this morning of a \$100,000 student drive toward a new \$450,000 stadium.

The weather remains warm and slightly cloudy, but gives promise for more sun in the temperature during the afternoon.

The lineup at the beginning of the game was:

MISSOURI NEBRASKA
Hill, le. le, Schoepfer
Keller, lt. lt, Wenke
Lewis, lg. lg, Nixon
Smith, c. c, Peterson
Wertz, rg. rg, Bassett
Vandine, rt. rt, Weller
Adams, re. re, Shearer
Scannell, qb. qb, Preston
Lincoln, lb. lb, DeWitt
Fowler, fb. fb, Hartley
Knight, rlb. rlb, Lewellen
Officials: Referee, Williams, Iowa; umpire, Carruthers, Illinois; head linesman, McGraw, Oklahoma.

The Tiger squad took the field at 2:10 o'clock and were given a warm welcome by the Huskers. The Bengals showed good snap.

Coach Dawson's Huskers took the field at 2:25 o'clock and were given a thundering reception.

THE GAME PLAY BY PLAY

Captain Hartley won the toss and chose to defend the west goal. Knight kicked to Captain Hartley on the Nebraska 5-yard line. The ball was returned 15 yards. Lewellen was thrown for a 5-yard loss by Hill. Lewellen gained 5 yards through left tackle. Preston was thrown for a 5-yard loss by Lincoln and Keller. ST. CHARLES CO. TO HAVE 18-MILE CONCRETE ROAD Will Be Part of Cross-State Highway—St. Louis Company Gets Contract.

Announcement has been made by the State Highway Commission that a contract has been awarded to the Moreno-Burkham Construction Co. of St. Louis to build eighteen miles of concrete highway, fifteen feet wide, in St. Charles County. This road is to become a part of the state primary road No. 1 between St. Louis and Kansas City.

The contract involves an expenditure of \$670,000. Another construction firm from Illinois bid \$640,000, but an investigation by the commission showed that the company was financially unable to handle the work.

CENTRE ELEVEN OVERWHELMED

Harvard Scores 24 Points Against Southerners in First Half.

By United Press. HARVARD STADIUM, Cambridge, Mass., Oct. 21.—Final score: Harvard 24, Centre 10.

By United Press. HARVARD STADIUM, Cambridge, Mass., Oct. 21. Playing under a lazy afternoon sun, the mighty Harvard eleven took a commanding lead over the "praying colons" from Centre College of Kentucky, when Harvard scored three touchdowns and a field goal against the Southerners' field goal.

Approximately 50,000 fans gathered at the historic stadium to witness the little college pit its strength against one of the most powerful of the Eastern eleven.

Harvard kicked off to Centre who fumbled. Harvard's left end, Fitts, recovered the ball on Centre's 5-yard line. Half-back Owens carried the ball over for the first touchdown. Duell kicked goal. Score: Harvard 7, Centre 0.

After see-sawing back and forth, Harvard began a steady march late in the first period, and Owens again plunged through for a touchdown. Duell kicked goal. Score: Harvard 14, Centre 0.

A few minutes later Duell shot a pass to Chapin, who raced 35 yards for the third touchdown. Duell kicked goal. Harvard 21, Centre 0.

In the second period Centre showed a strong offensive and pushed the ball to Harvard's 35-yard line where a place kick was made.

Harvard added another 3 points when Pfaffman kicked a field goal from the 25-yard line.

Score at end of second period: Harvard 24; Centre, 3.

CONSTRUCTION PROGRESSES

Two New Agricultural Buildings Ready Next Fall.

According to Dean F. B. Mumford, work on the Agricultural Chemistry Building and the Agricultural Science Hall is progressing much faster now than a few weeks ago. The contract calls for the completion of the buildings by January 1, 1923, but owing to the delay in receiving building material and securing competent workmen it can only be hoped, he said, that the work will be completed in time for the opening of the fall term of 1923.

The buildings are being constructed of native stone and the trimmings will be of stone from Bedford, Ind. Dean Mumford said that, should the state of Missouri last five thousand years longer, these buildings will last just as long, because they are being well built and the stone becomes harder and more durable the longer it stands.

Wallace Reid Ill.

LOS ANGELES, Oct. 21.—Wallace Reid, film star, has suffered a nervous breakdown and will be forced to leave his work for a month. The report that he was critically ill was denied at the Lasky studios, where it was said that he has been given a vacation.

TWO ARRESTED AS RESULT OF AUTO ACCIDENT

University Student Hurt in Head-on Crash on Providence Road Last Night.

EXPLOSION BURNS CAR

Harry Finley Raises Flaming Machine With Shoulders and Saves Two From Probable Death.

A head-on collision two miles from Columbia on the Providence road at 9:35 o'clock last night destroyed one automobile, crippled another, injured a University freshman, and endangered eight other lives.

Harry Finley, 19-year-old University High School student, driving a new Hupmobile touring car, was caught under it with Chester Baker and George Huggins, University students, when a crowded Oldsmobile, said to have been on the wrong side of the road, crashed into it and upset it, the Hupmobile catching fire from a broken gas line.

Finley raised one side of the burning car with his shoulder and crawled out. While he held it up Baker came out and the two of them rescued Huggins, who was injured. The flames spread over the tonneau and a few seconds after the boys had escaped the whole car went up like a flare bomb, the gas tank at the rear exploding.

Within half an hour, Policeman Miller and Sheriff Fred Brown arrived on the scene. They found the two cars wedged together on the Hupmobile's side of the road, and, after hearing Finley's story, returned to Columbia. Late last night the sheriff arrested two men said to belong to the Oldsmobile party: Opal Martin, owner of the car, and Raymond Whitte. They were held for investigation.

Prosecuting Attorney Ruby Hulen filed a charge of transporting liquor against Martin today. Martin was released on \$500 bond. Whitte was released after questioning without any formal charge being placed against him.

The three boys in the car which burned told the sheriff that there was wine in the car.

Finley said that he took the Hupmobile from Cook Brothers' Garage with the permission of the owner, Clay Schwabe, and drove down the Providence road beyond the turn to McBaine, with his two friends. On their return they had just topped the first rise when the Oldsmobile appeared, coming, they said, at high speed on the left side of the road. Finley said that he slowed down and turned out to the edge of the ditch, but that the other car struck him squarely. The Hupmobile, already tilted, turned over and caught fire.

Finley and Baker said that none of the other party offered to assist in rescuing Huggins and that the other men might have saved the Hupmobile if they had thrown a coat over the engine hood the moment the fire started. Instead, it was said, the members of the other party hurried off toward town.

Finley went to a farmhouse and telephoned to Columbia for a taxi in which to bring back Huggins, whom they believed to be seriously hurt. The taxi never arrived, and Finley and Baker said they believed the party of six down the road stopped it and rode back in it themselves. Huggins was finally brought to Parker Memorial Hospital in a Ford car with Baker, and Finley waited at the wreck for Schwabe, the Hupmobile's owner.

Huggins, who is still in the hospital, rested easily last night and if no internal injuries appear will be discharged tomorrow.

HUSKER COACH PRAISES TIGERS

Schulte Says M. U. Team Is "Fighting" Crew—12,000 to See Game.

By a Staff Correspondent. LINCOLN, Neb., Oct. 21.—"You'll have to make a noise more like corn husking than bear stories to beat them," was Coach "Indian" Schulte's prediction, speaking to a Nebraska mass meeting last night at which time he characterized the Missouri football team as a "cracker Jack bunch of fighting Tigers."

Robert I. Simpson, replying for Missouri, admitted that Nebraska had one of the best teams in the United States, but insisted that the Huskers were not to be conceded victory until the last whistle of the game.

A large homecoming crowd arrived in Lincoln yesterday and more arrived today. It is expected that 12,000 fans will witness today's game. The indications were that the weather would be sluggish and warm.

The Tiger squad arrived in Lincoln yesterday morning and immediately took up their headquarters at the Lincoln Hotel, where they rested for the day. The entire squad is in fine shape and every one is keyed to the highest pitch for the game.

THE WEATHER

For Columbia and vicinity: Somewhat unsettled but probably generally fair tonight and Sunday; slightly warmer tonight; cooler Sunday afternoon and night. For Missouri: Generally fair tonight and Sunday; cooler Sunday in the north portion.

There has been general rain in the northern Rockies and in the Canadian Northwest. Scattered showers have fallen in Arkansas and Oklahoma. In the remainder of the country the weather has been fair. Temperatures are mild and pleasant in all sections, freezing being confined to small areas along the northern border.

Local Data: The highest temperature in Columbia yesterday was 71 degrees, and the lowest last night was 45 degrees. Precipitation 0.00. A year ago yesterday the highest temperature was 69 degrees, and the lowest was 39 degrees.

BERLIN FEARS NEW REVOLT

Monarchistic Plot Discovered—Chancellor Wirth Jeopardized.

By United Press. BERLIN, Oct. 21.—The Berlin police are under orders to be on the alert to crush a new monarchist revolution disclosed by a document which was obtained in a recent raid. The plot was to include the assassination of Chancellor Wirth.

FAIR ATTRACTS LARGE CROWD

Two Thousand Visitors Attend Hallsville Community Exhibition.

The Hallsville Community Fair began this morning with one of the most complete exhibitions ever shown in Boone County. Indications at noon today pointed to a record crowd of more than two thousand visitors.

The main street was roped off for three blocks. A row of pens for hog and sheep exhibits occupied the middle of the street; while on each side long tables were erected for the display of fruit, field crop and house garden exhibits.

There were twenty entries registered in the baby show. Miss Elizabeth Bloch, a graduate nurse of the Boone County Hospital, was the judge in this feature.

E. L. Morgan, of the College of Agriculture of the University of Missouri, delivered the main address late this afternoon.

JOURNALISTS IN A VICTORY

Scribblers Score 6 in Last Quarter—Fail to Kick.

The annual Journalist-Engineer game resulted in a 6 to 0 victory for the Journalists this afternoon.

The game was played before a crowd of approximately 500 persons. The score at the end of the first quarter was 0 to 0.

The ball during the first half was in the Journalists' territory most of the time due to fumbles. The halfback of the Engineers made a 20-yard run around right end in this half for the longest gain of the game up to this time.

At the end of the second quarter the score was still 0 to 0. The Journalists kicked off at the beginning of this quarter to the Engineers who ran the ball straight down the field, making four touchdowns and placing the ball on the Journalist 5-yard line. They had the Engineers for downs and had run the ball back to their 15-yard line when the quarter ended with nothing scored.

The Journalists opened the fourth quarter with a long gain from a fake punt formation. A second punt was recovered by the Journalists following a 10-yard penalty imposed upon the Engineers.

With the ball on the Engineers' 35-yard line Thealkhead snatched a pass from Colt for a gain of 28 yards. Colt then went through the Engineer's line for a touchdown. The kick following the touchdown failed. Final score 6 to 0.

Association Ships in Ewes.

A load of western breeding ewes was shipped yesterday by the Columbia Co-operative Shipping Association. They were ordered through the association by the farmers in the vicinity of Columbia. They cost \$7.80 laid down in Columbia.

Couple Married This Morning.

Luther M. Powell of Centralia and Miss Cora Mae Kanatzar of Sturgeon were married this morning by the Rev. A. W. Pasley in the rest room of the courthouse. They will live on a farm four miles north of Centralia.

President Jones to Kansas City.

President J. C. Jones left yesterday afternoon for Kansas City to attend a meeting of the Board of Curators today. Leslie Cowan, secretary of the University, who has been gone several days, will also attend the meeting.

Tiger Cross Country Team Wins.

The Missouri cross-country team defeated Nebraska.

2,500 WATCH SCHOOL RALLY DAY PROGRAM

800 Children Take Part in Athletic Events—Prizes Given for Four Best Banners.

MOTHERS RADIATE PRIDE

Races Held Without Delay or Confusion—"Splendid Day for County," Says Northcutt.

More than 2,500 persons of whom 800 were the school boys and girls taking part in the athletic events, assembled on Rollins Field yesterday afternoon for the final part of the day's program of the Boone County Public School Rally Day.

More than fifty schools were represented in the twenty-three events that made up the athletic program of the afternoon. The entire north bleachers were filled and many were seated on the south side. The shouts of the happy children mingled with the cheerful greetings extended from one proud mother to another as the different schools filed on the field for the various events.

Each school was represented by a home-made banner. The banners were lined along the east end of the field for the inspection of the judges. Star, Gillaspie, Turner and Via were the four schools winning prizes for the best banners. Honorable mention was given to Deer Park School, Dinwiddie School, Grindstone School, Grand View School, Wade School, Tucker School, Hickory Grove School and Bethel School. The judges of the banners were T. J. Walker and Mrs. J. K. Fyler. The banners were judged by the following points: design and spacing of letters; color and construction.

100-YARD DASH FIRST

The first of the athletic events was the 100-yard dash for boys between the ages of 14 and 16. This was won by Joe Burroughs of the Jacobs School. Fern Turner of the Hallsville Consolidated School won the 100-yard dash for girls between the ages of 14 and 16. These races were followed by 50-yard dashes, potato races, stick-horse races, egg races, sack races, three-legged races, high jump, running broad jump, pole-vault and many other athletic events in which almost every school of the fifty represented on the field was entered.

R. D. Waddell was in charge of all athletic events. He was assisted by: Benny Slusher, in charge of field events; Paul Limerick, in charge of tag races; Keith Schenely, announcer; Charles Ogle, judge; and O. They, in charge of field events.

As the events were announced only those entered were allowed to come on the field and after the event the field was again cleared. In this way all contestants were entered in the correct race or event and the field lacked the confusion that so many times is the cause of mistakes.

Charles E. Northcutt, county superintendent of schools, expressed the opinion that the athletic program yesterday was the most successful ever attempted for a Boone County Rally Day program.

"The events were all handled well and with little confusion. More schools were entered than at any previous Rally Day program," said Mr. Northcutt.

SUMMARY OF EVENTS

100-yard dash, boys between the ages of 14 and 16—Joe Burroughs, Jacobs School, district 57, first; Clyde Gilbert, Lakeview School, district 72, second.

POLITICAL WRITER IN TOWN

David Lawrence will Speak in Nef Hall Tonight.

David Lawrence, noted political writer and Washington correspondent, arrived in Columbia today by motor from Centralia. He was a guest of the Round Table at a luncheon at the Daniel Boone Tavern, where he made a short talk. Mr. Lawrence will be a guest of honor at a dinner given by the Sigma Delta Chi and Alpha Delta Sigma fraternities at the Harris Cafe at 6 o'clock tonight. At 7:30 o'clock tonight he will speak to students of the School of Journalism and others interested, in the auditorium of Jay H. Neff Hall.

COUNTY UNIT BILL FAVORED

Dr. Edgar C. Nelson Speaks to Missouri Division of A. A. U. W.

The state program for educational legislation was the general subject of discussion at the morning session of the Missouri Division of the American Association of University Women. Dr. Edgar C. Nelson of Buncheon spoke on the County Unit Bill.

The boys and girls of the rural districts, according to Doctor Nelson, are offered on an average about 124.4 days of school for eight years, while city children may have 171.2 days for twelve years. "The County Unit Bill will equalize taxes so that the rich districts will pay more than the poor districts. It is fair that we pay county, state and federal taxes according to our ability to pay," Doctor Nelson said.

The bill provides for the establishment of a county school board which will have general charge of the county schools. It will establish high schools for all eighth grade graduates or else pay the expenses of those who wish to attend city high schools.

Dean Isidor Loch spoke against the popular election of administrative officials. He advocated the appointment of the state superintendent of schools.

Mrs. W. W. Martin of Fayette, chairman of the committee on educational revision of the Constitutional Convention, disagreed with Doctor Loch on this point. She advocated the popular election of the superintendent of schools, or at least of the board which appoints him. The report of the educational committee favored the popular election of the board.

DISEASES YOUNG CHILD

"In this country, school systems make no provision for the pre-school child," said Mrs. Frances Fenton Bernard of Washington, D. C., secretary of the American Association of University Women, in her talk before the convention yesterday afternoon in the physics lecture room. "Recent experiments in psychology and psychiatry have revealed the necessity of training the habits and ideas of those children between the ages of 2 and 6."

Mrs. Bernard, as secretary of the organization, is undertaking to visit personally every chapter of this organization. She is strongly in favor of a more progressive education, because of the growing field of opportunity for women, and the increasing demand for a different method to be used in the elementary schools.

In explaining this movement, Mrs. Bernard described the nursery schools, and their opportunities for specially trained college women. She will also attempt to make a survey of those women who have taken higher degrees.
